

PRIYA VERMA

priya.verma@example.com | +91-90000-00000 | github.com/priyaverma-demo

B.Tech Computer Science, AKTU (2022-2026), CGPA 8.4

SKILLS

Python, FastAPI, Flask, Pydantic, PostgreSQL, Git, GitHub, Google Gemini API, Prompt Engineering, Pandas

PROJECTS

Resume Screener API (Python, FastAPI, Gemini API)

- Built a REST API that scores resumes against job descriptions using the Gemini API.
- Enforced structured JSON output with Pydantic models; reduced invalid responses from 12% to under 1%.

Expense Tracker (Flask, PostgreSQL)

- CRUD web app with user auth and monthly reports; 40+ active users in college.

EXPERIENCE

Python Developer Intern, CodeCraft Labs (Jun 2025 - Aug 2025)

- Wrote data-cleaning scripts in Pandas for 50k+ records.
- Added unit tests with pytest, raising coverage from 35% to 70%.

CERTIFICATIONS

Google Cloud Digital Leader (2025)
